Asia Symposiums - ASEAN Tech Circuit 2025 is a landmark 3-day event held across six dynamic countries: Singapore, Indonesia, Malaysia, Thailand, Vietnam, and the Philippines. This premier event brings together global industry leaders, visionary innovators, and changemakers to explore four essential themes: **Cybersecurity, Customer Experience, Sustainable Development, and Investment Strategies**. Attendees will be engaged in a dynamic learning environment featuring expert-led discussions, interactive workshops, and live demonstrations designed to inspire action and foster growth. Key highlights include the adrenaline-charged Capture the Flag (CTF) competition, a showcase of cutting-edge solutions from top technology providers, and the prestigious Awards Gala Dinner honoring those who have set new benchmarks in excellence and innovation.
